

Coasters, Inc is a non-profit organization whose purpose is to provide support to competitive gymnasts, dancers, and cheerleaders at Mid-Coast Gymnastics in Selbyville, Delaware. Our gym has a nineteen-year outstanding reputation.

Our team is comprised of young athletes, each spending many hours per week practicing. These athletes are high achievers at the gym and at school, organized, self-motivated, and goal oriented as they are constantly setting higher goals for themselves. These goals however, are met at a high cost. Funds are needed to pay for local, state, regional and national competitions as well as uniforms, etc. The projected annual competitive cost for the season is approximately \$2,000-\$5,000 per athlete depending on their level of competition.

Our organization is asking for your help in supporting these talented athletes. We are searching for corporate sponsors who would be willing to fund our athletes. Your business is being contacted because our families frequently use your services or purchase goods from your store. There are many advantages to being a corporate sponsor of Mid-Coast including;

- Reinvesting your money in the local community,
- Creating awareness of your business through advertisement at our gym, through our website, and on our other social media outlets, and
- Contributing to the community by helping to build self-esteem, confidence, and character in our local youth.

We offer a variety of levels of sponsorship. On the back of this letter, you will find the perks your company will receive at each level. Once you have chosen the level that is right for your company, please complete the sponsorship form and mail it along with your contribution to Coasters, Inc. Be sure to note if you would like your donation to go towards a specific athlete or team (gymnastics, cheer, or dance). If an athlete/team is not designated, it will be assumed that you would like to split your sponsorship among all of the competitive athletes.

Thank you for your consideration! Every donation is greatly appreciated! If you would like any additional information or a tour of the gym, please contact us at coastersmidcoast@gmail.com. We know you will be impressed with our athletes' talent!

Thank You!
Coasters Inc.
